

Towards ideal  
partnership

## Freshness

We never stop improving our activities; the secret of our success is our open-minded, fresh and positive attitude.

# Nordic-Baltic CRO Expertise

Medfiles provides a complete range of product development procedures, starting with pharmaceutical development with quality control laboratory analyses (chemical and microbiological), then moving on to implementing clinical trials (phases I to IV) and finally dealing with regulatory affairs – we truly have a “one-stop-shop” service package.

- *CLINICAL TRIALS*
- *ANALYTICAL SERVICES*
- *PHARMACEUTICAL DEVELOPMENT*
- *REGULATORY AFFAIRS*

Unrivalled experience for over 20 years, the combination of a high degree of competence with continuous development is the guarantee of our high standard of quality. Flexibility, Fairness and Freshness are our driving values, which translate into individually tailored services with trust-worthiness, confidentiality and integrity, striving to ensure ever-improving success rates and quality for our clients.

Our focus area is the Scandinavian countries (Finland, Sweden, Denmark and Norway) and the Baltic countries (Estonia, Latvia and Lithuania).

We also co-operate with carefully chosen CRO partners and professionals network in numerous Western, Central and Eastern European countries, and outside Europe (e.g. China), - tell us your individual needs and requirements and we will find the solution.

## Fairness

We keep our promises.  
You can trust us and rely  
on our commitment to  
co-operation.

## Flexibility

We provide the highest  
quality of work; we  
are flexible, prompt,  
and accurate with a  
professional attitude.

## First and private

Not only was Medfiles the first local CRO founded in Finland, it was also the first of its type in Estonia, established in 1993. From its very foundation in 1987, all of the company's services have attracted a large number of international and national clients: SME/ big pharma, biotechnology/drug discovery, medical device, CROs etc.

Flexibility, Fairness and Freshness are our driving values, which mean we can guarantee individually tailored trust-worthy services with confidentiality and integrity, and we never stop striving to improve the quality of the services for our clients.

**We are committed to ensure that you get the best advantage of your outsourcing...**

- *Longest and strongest local expertise in Scandinavian & Baltic countries*
- *On time & on budget delivery*
- *Dedicated individuals /teams (integral part of your pharmaceutical development)*
- *Convivial, courteous and friendly service*

**- the end result will be a mutually beneficial, prosperous and long-term partnership.**
